## AND THE LITTLE GIRL'S ADVICE

Can you imagine a little girl changing the fate of a powerful general? Get ready to hear her amazing story!

Naaman was a very important general. He won every battle, everyone respected him, and he was very wealthy. But there was one thing he couldn't defeat: leprosy (a terrible skin disease) that had no cure. This made him feel hopeless and defeated.

In his household lived a young girl from Israel. Even though she was small, she had great faith in God. One day, she bravely said to Naaman:

"Sir, in my homeland, there is a prophet named Elisha. He knows the true God, and I'm sure he can help you."

Whoa! This little girl wasn't just brave—she had BIG faith!

Naaman wasn't convinced at first, but he decided to give it a try. He brought his horse, many gifts, and his servants, and traveled to Elisha's house.

When he arrived, he expected something grand, like thunder from the sky or magic words. But Elisha didn't even come out to meet him. Instead, he sent a message:

"Tell Naaman to wash himself seven times in the Jordan River, and he will be healed."

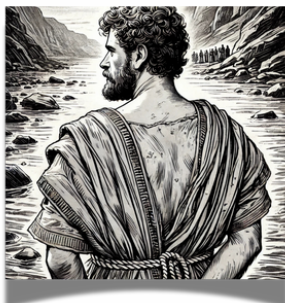

REMEMBER

LUKE 11:28

BLESSED RATHER ARE THOSE WHO  
HEAR THE WORD OF GOD AND OBEY  
IT.

He was about to leave angrily, but one of his servants stopped him.

"Sir, if the prophet had asked you to do something difficult, you would have done it. Why not try something this simple?"

Naaman reconsidered and decided to give it a shot. He went to the Jordan River and dipped himself once... twice... three times... nothing! But when he came out of the water the seventh time, his skin was clean, smooth, and completely healed. It was a miracle!

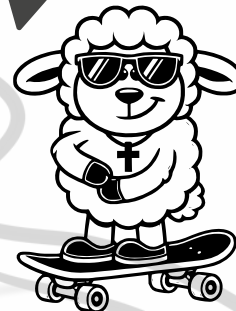

Overjoyed, Naaman rushed back to thank Elisha.

"Now I know that the God of Israel is the one true God," he said with a big smile.

And all of this happened because one brave little girl decided to speak up and share her faith.

Naamán almost missed his miracle... good thing he listened!
