Discover The Heart of Spain

We call this journey the "Central Route" because it takes us through the very heart of Spain—a region rich in history, art, and spiritual heritage.

We'll visit iconic locations that hold deep significance not only for the country's past, but also for the history of Christianity and European culture.

From ancient walled cities to cathedrals and monasteries with centuries of legacy, this route invites us to connect both soul and senses to the beauty and meaning found in every stop.

The itinerary is confirmed, though the order and combination of destinations may vary due to logistical or weather-related reasons. If any activity must be modified due to force majeure, it will be replaced with one of equal value and meaning.

EVERY DAY

TavishÄ
VALIA
EXPERIENCE

Food & Wine Experience

- Daily meals featuring authentic Mediterranean cuisine
- Beautiful locations selected for each lunch and dinner
- Afternoon snacks and local treats along the way
- Special wine tasting experience included during the trip
- Regional dishes paired with traditional Spanish wines
- Discover artisanal cured meats and a variety of olive oils

EVERY DAY

EXPERIENCE

Peaceful Countryside Stay

- Every night we return to a charming hotel just outside Madrid
- Surrounded by nature and tranquility
- Ideal for rest, reflection, and connection
- The perfect place to unwind after each day's adventure
- Guaranteed bed quality

DAY 1

Welcome Day – Arrival in Madrid

- Arrival at Madrid–Barajas Airport
- Transfer to the hotel and time to settle in peacefully
- Free time to rest or explore the nearby area
- Group dinner to savor local flavors and officially begin our journey

DAY 2

Valle de los Caídos

- Features a 150-meter-high cross (the tallest in the world)
- Basilica carved into the mountain
- The world's grandest basilica - "save for one curious quirk of definition."

Royal Monastery of San Lorenzo de El Escorial

- Built in the 16th century under King Philip II
- Declared a UNESCO World Heritage Site
- Includes palace, monastery, basilica, library, and royal mausoleum

City of Segovia

- Features a stunning Roman Aqueduct
- The Cathedral of Segovia, the last Gothic cathedral built in Spain
- Visit its unique hexagonal Chapel and soaring interior
- Explore the Alcázar of Segovia, said to have inspired Disney's castle
- A city filled with history, architecture, and panoramic views

City of Ávila

- Famous for its imposing medieval walls with 88 towers
- Birthplace of Saint Teresa of Ávila
- Visit the Gothic cathedral integrated into the city walls

Monastery of Paular

- A 14th-century monastery nestled in the mountains, where history, art, and silence meet.

City of Toledo

- Known as the City of Three Cultures
- A magical medieval walled city
- Gothic Toledo Cathedral
- 12th-century Santa María la Blanca Synagogue
- Masterpieces by El Greco
- Panoramic view from Mirador del Valle

City of Madrid

- Almudena Cathedral: dedicated in 1993 by Pope John Paul II
- Cerro de los Ángeles: considered the geographic center of the Iberian Peninsula
- Madrid: Spain's vibrant capital, blending royal heritage with modern life

DAY 7

TavishÄ
VALIA
EXPERIENCE
